квартира - Средний этаж, La Mairena, Marbella

Ref: R4062484 - 920.000 €

beds: 2 baths: 2 built: 132m2

An exclusive gated community with only 44 private residences developed by a highly experienced team with a track record in upmarket real estate. Sea views from all residences, across the bay of Marbella. Protected nature directly in front, with direct access to walking trails. 5-star facilities available for owners and their guests. Care free ownership services including property management and maintenance, cleaning and rental management. An integrated concierge and lifestyle management service, a "lock-up & leave" concept allowing for easy stays. Peace of mind with a 24/7 security guard, fenced-in perimeters & video surveillance. Modern and elegant architecture by famous architects Villarroel Torrico. Extensive terrace areas to fully connect with the protected natural surroundings. The latest technology including a home automation system. High-end interior design services and the option to personalize your property. Carefully sourced materials and technology to create a new local standard. Private parking and storage with each home.
